Let’s Hunt Alien

F.L

1639 Massachusetts Bay Colony...

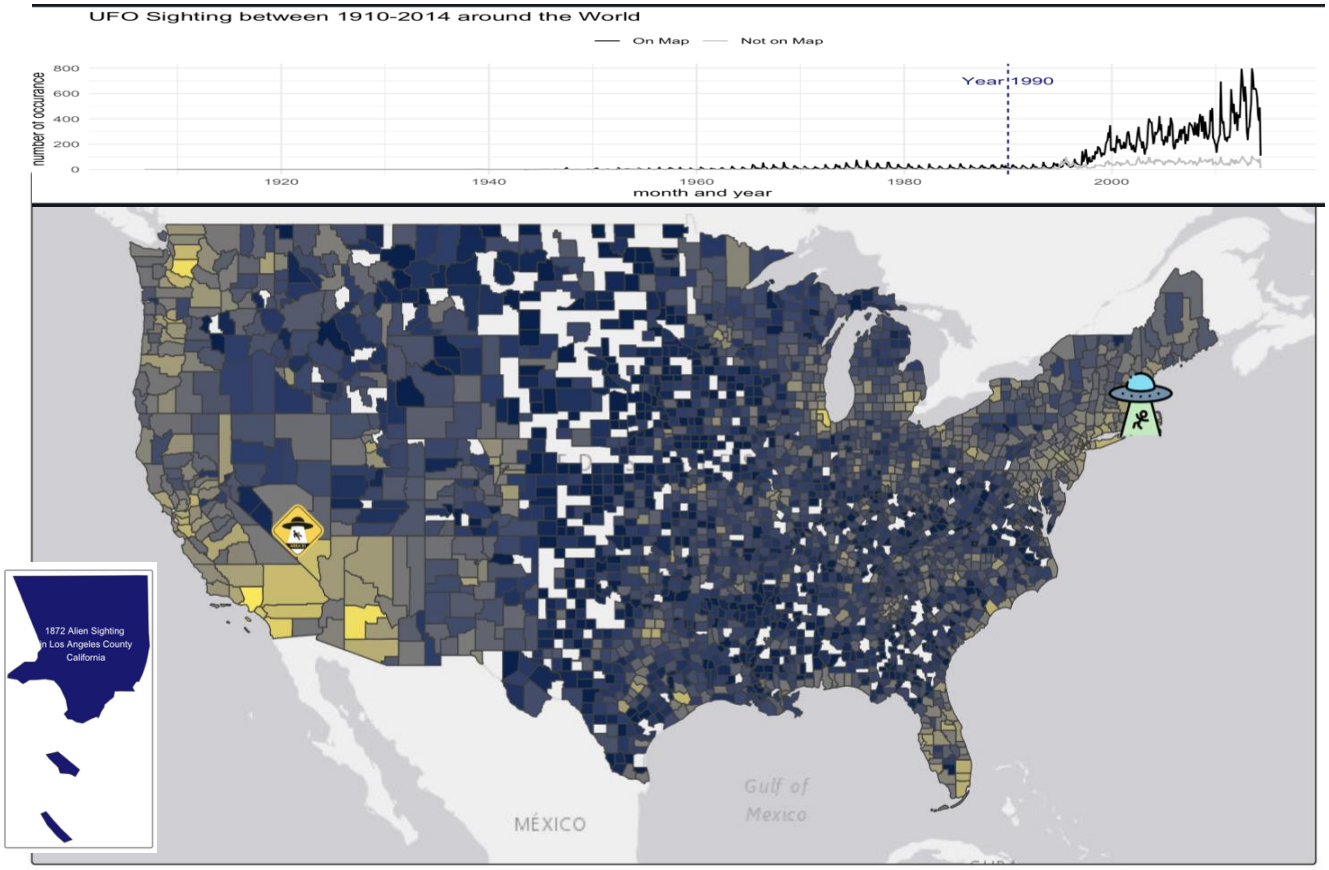

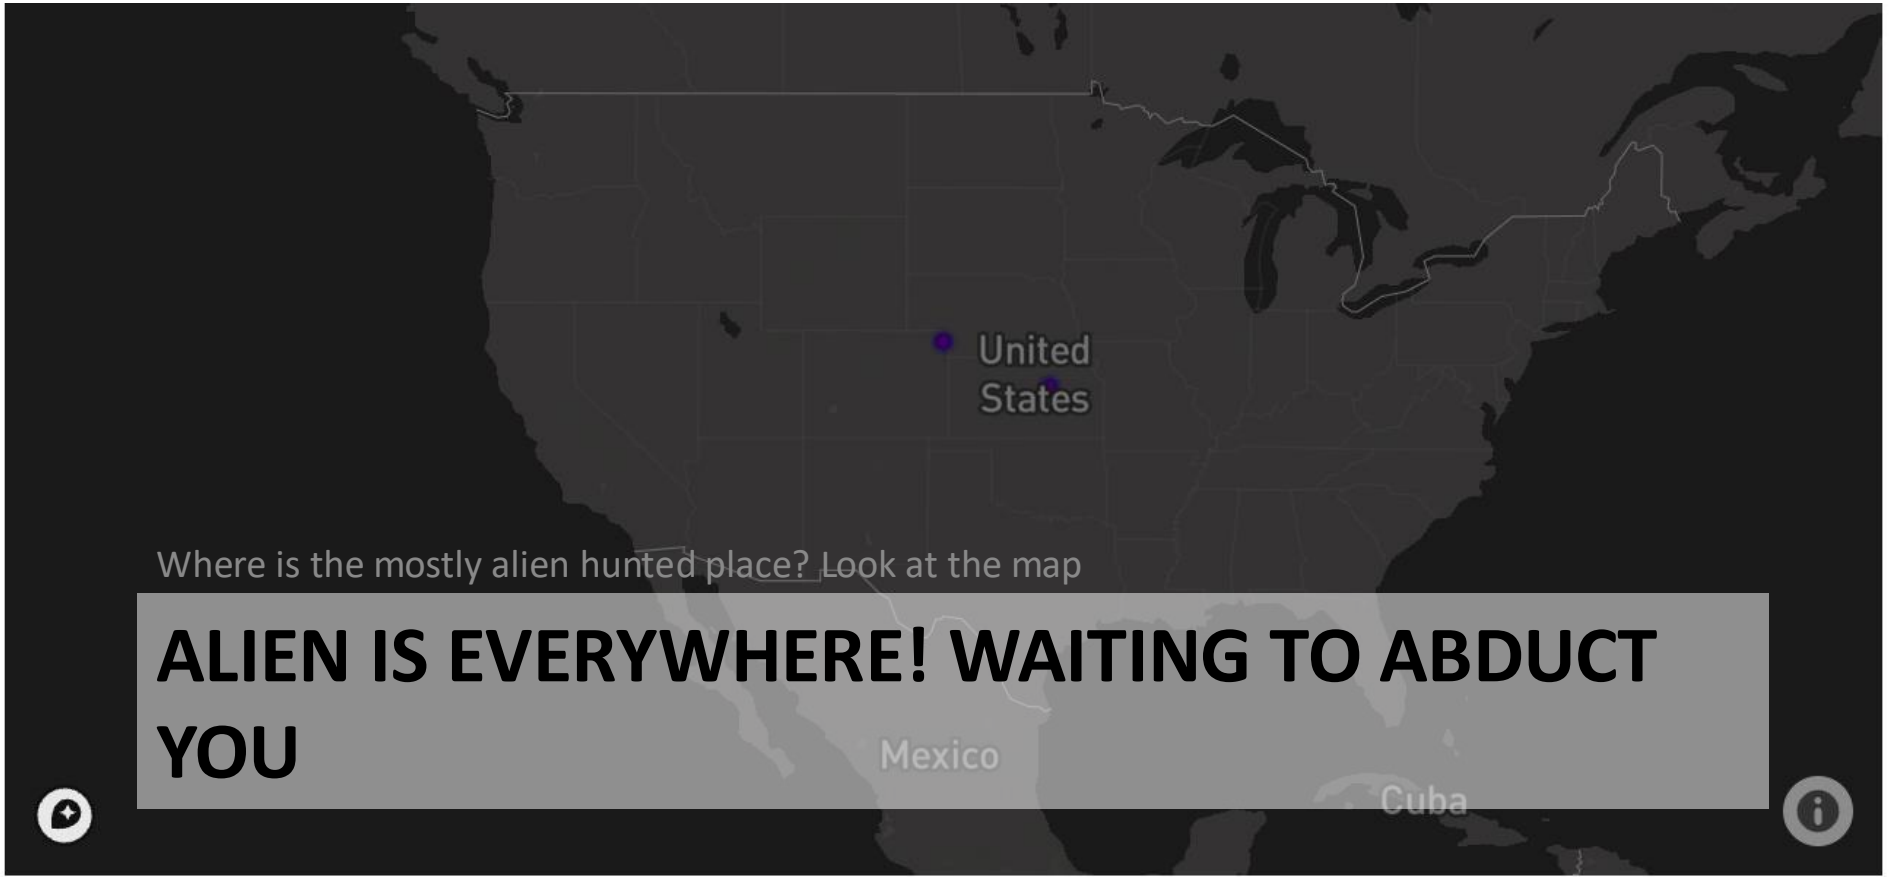

"when it stood still, it flamed up, and was about three yards square; when it ran, it was contracted into the figure of a swine: it ran as swift as an arrow towards Charlton [Charlestown], and so up and down about two or three hours

James Everell

Alien reporting are “everywhere”

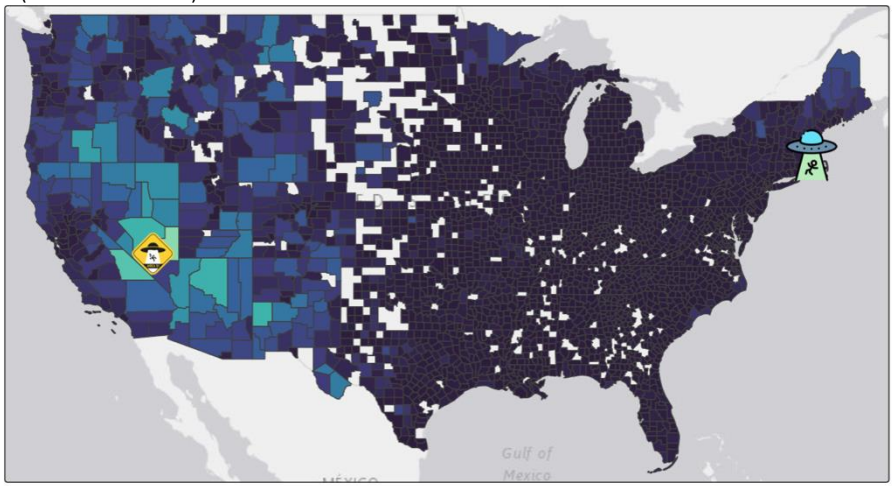

Sighting of UFO from 1890 – 2014, *National UFO Reporting Centre*

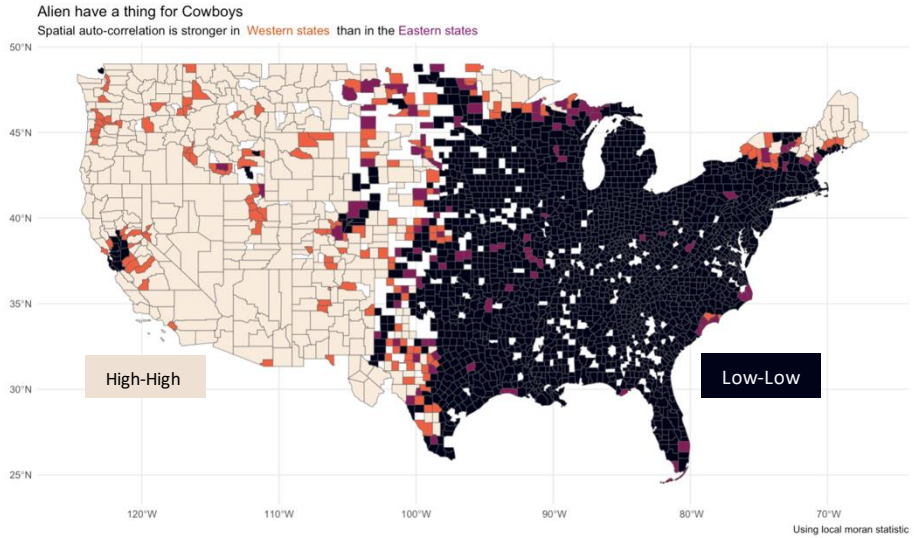

Where is the mostly alien hunted place? Look at the map

ALIEN IS EVERYWHERE! WAITING TO ABDUCT YOU

Instead of alien abducting us, "***US***" is abducting alien
(see what I did here)? ☺

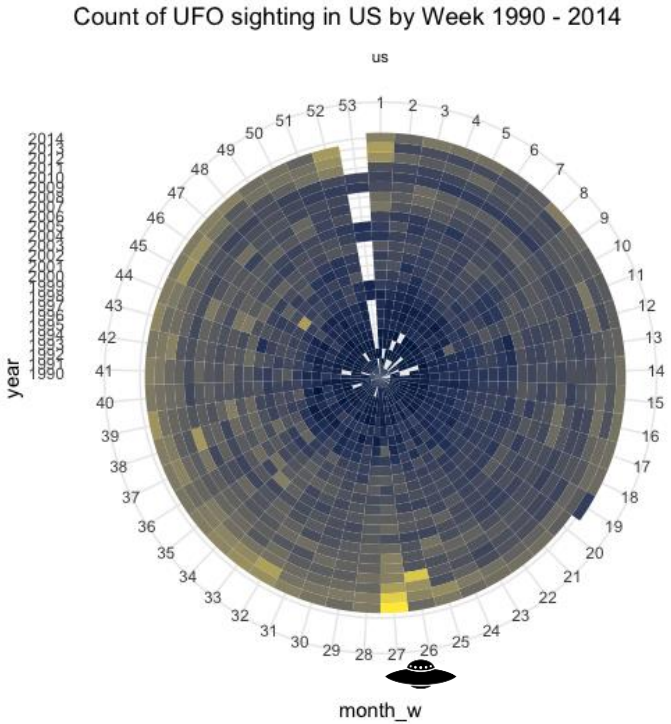

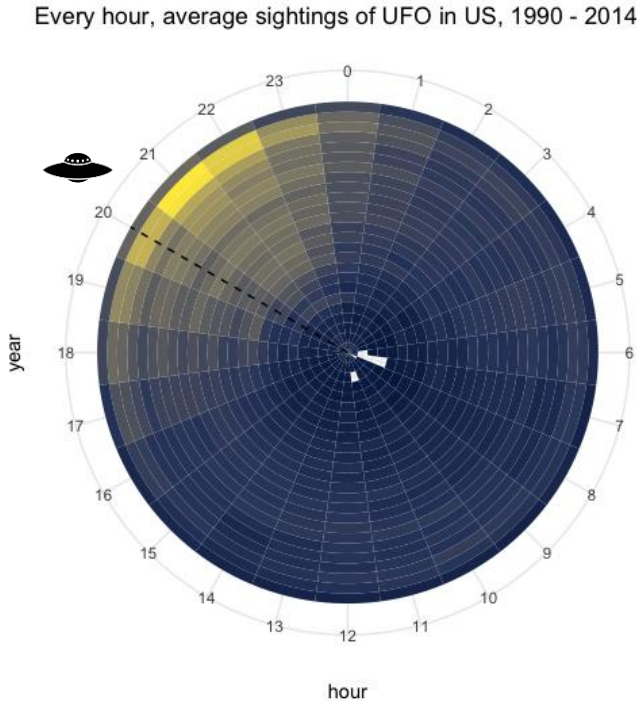

What time is mostly to occur when looking for aliens?

WHEN TO LOOK UP IN THE SKY?

Best Time To Look Up In the Sky

Below we are focusing on the US, analyzing 1990 onward.

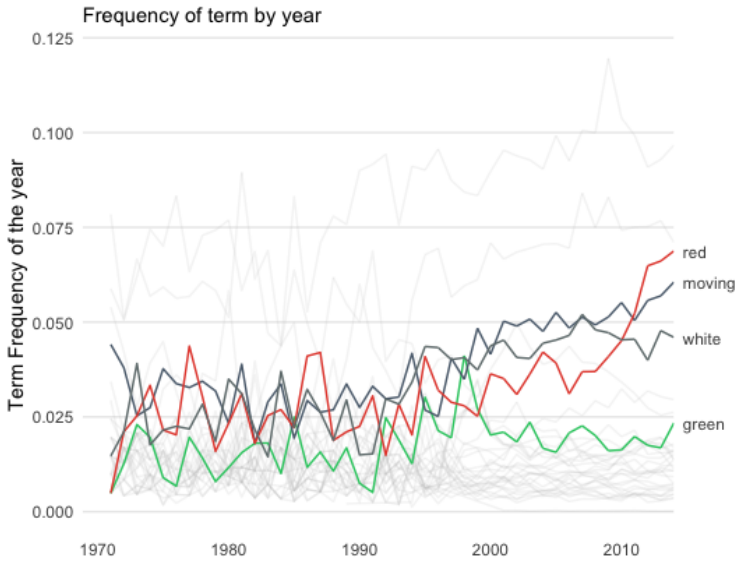

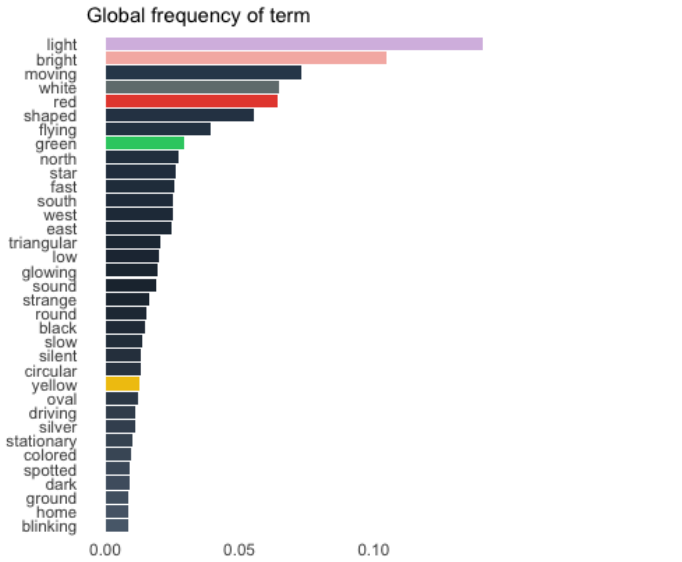

What does an “alien ship” look like? And how has it changed? Dive into sighting description

HAS ALIEN “RENOVATED” THEIR SHIPS?

UFOs are spotted more red than green

Frequency of nouns and adjuctives used to describe UFO event after

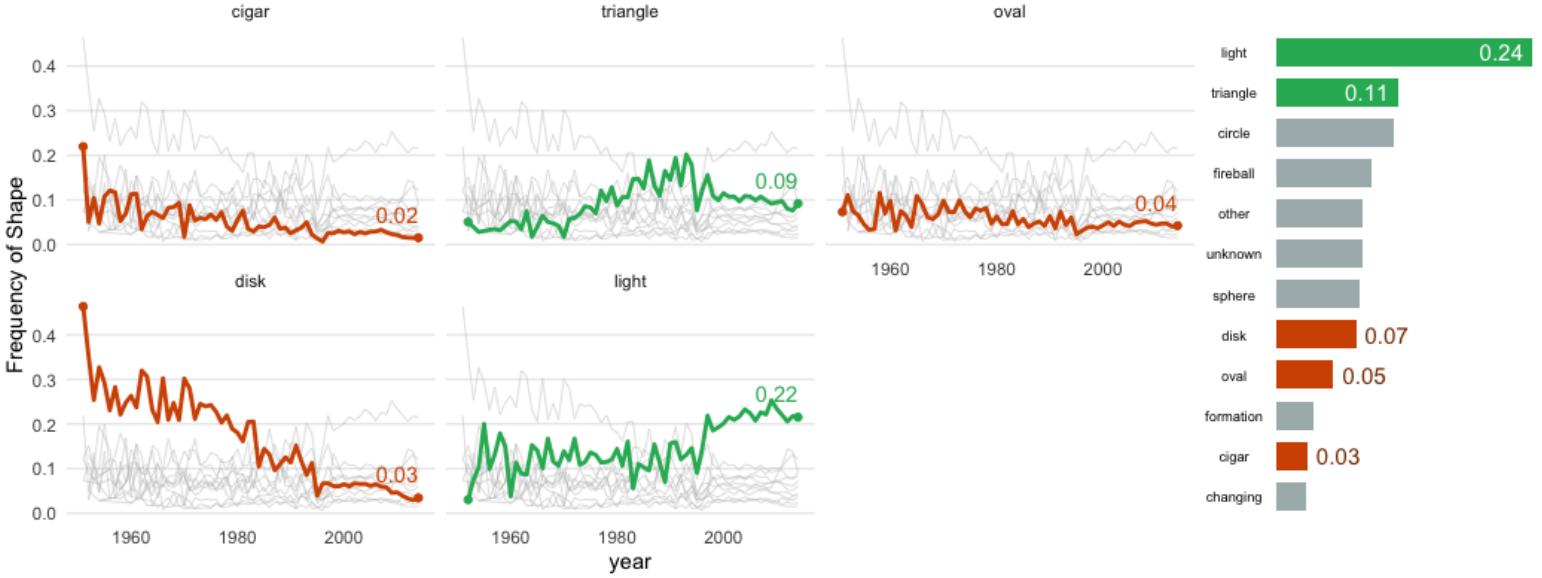

data source: NUFORC data by Sigmond Axel (2014)

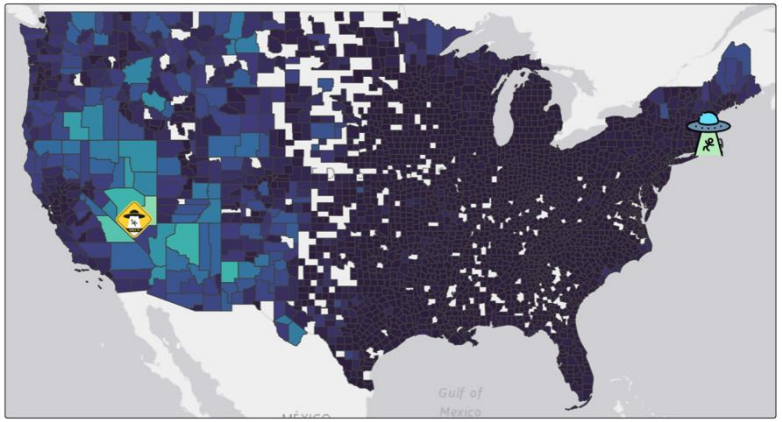

UFO has been seen less circular

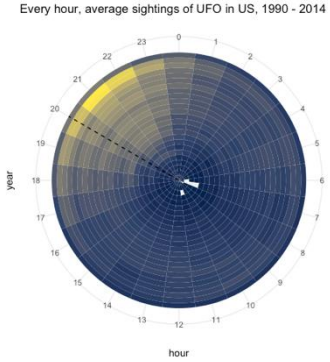

Showing 5 of 30 most significant trend mesaured by pearson corelation coefficency. Downward trend are shown in **orange** and upward trend in **green**.

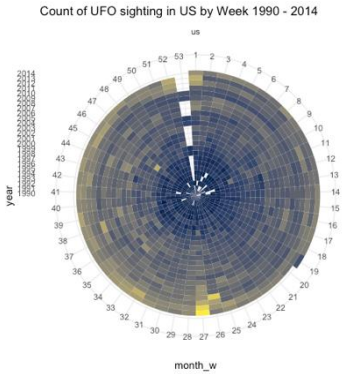

In addtion top 12 most frequent shape are shown. They represent 60% of the shape

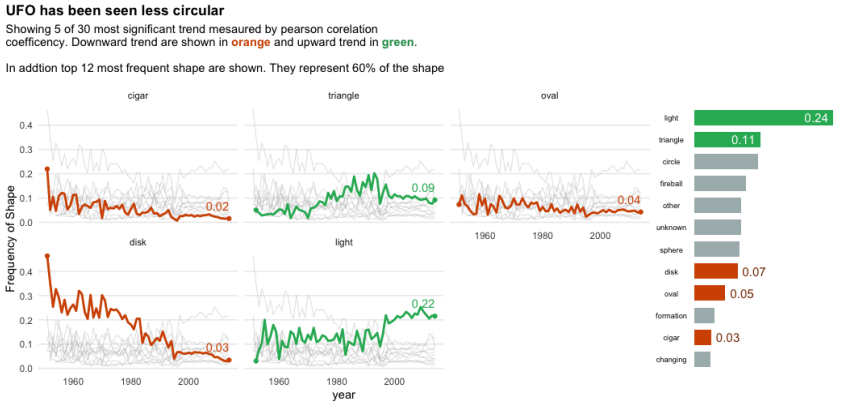

data source: NUFORC data by Sigmond Axel (2014)

A good “fit” for the model!

Formation Light

Military Light
